Dear Hiring Manager,

I am pleased to be applying for the role of Front End Developer position at your esteemed company. I have experience in building, deploying and managing the overall life cycle of interfaces. I am extremely eager to learn new technologies and be guided.

In my previous roles at TECHSTUDIO ACADEMY ([details in CV](#)), I was responsible for translating user or business needs into efficient reality.

Thank you for taking the time to review my credentials. I am very passionate about learning and contributing to your company's overall end goal . I hope to be given the opportunity to learn and grow. I look forward to your feedback, answering your questions, and learning more about the role and development terms.

Sincerely,

MEDINA Akanke
