[akankeopeoluwa@gmail.com](mailto:akankeopeoluwa@gmail.com)

Portfolio: <https://akankeportfolio.netlify.app>

### EXPERIENCE

Over 1 year of experience with efficient knowledge of web development tools in creating responsive web projects, user friendly and accessible front end products. Link to all projects are on my portfolio website.

#### TechStudio Academy

**Track:** Full Stack web development , **Duration:** JULY 4- OCTOBER 26

I was taught the principles of web development tools and worked with a team to implement web design in creating a website.

#### SELF TAUGHT/ UDEMY

Worked on several projects utilizing HTML5, CSS, JAVASCRIPT and REACT in producing required standards. I applied problem solving and critical thinking in the development field.

### PERSONAL PROJECTS

#### TRADEEXPRESS/ FRONTEND PROJECT

This is a website for trading cryptocurrencies. It is a website with the potentials of reducing the hassle of finding good rates and fraud.

<https://akanketradexpress.netlify.app>

#### MUSIC PLAN/ FRONTEND PROJECT

This is a project about a website for music subscription plans.

<https://musicplan.netlify.app>

#### TECHSTUDIO/ FRONTEND PROJECT

Official techstudio academy website.
